# WATERPROOF FABRIC NATURAL STORY

## Mackintosh

A new, nicely textured, and sturdy weave that repels rain and hinders water absorption after storm. The cushion dries very fast and there is no embarrassment to get wet butt when weather is clear. Its super water resistance does not rely on additional chemicals or backing treatment, but comes from the yarn and a finely woven construction. It is curated in essential eight colors, and awaiting your discovery.

Least water absorption

No wet butt

Half drying time

Rain test

Water resistant
